Dear Mrs. Clark:

In regard to your letter of December 29, 1954 asking about the Calvert Family Bible, I, Denitha J. (Pruitt) Williams, the only daughter, will give you the information my father compiled. While we were going through my late mother's belongings we found her family bible and my father remembered your letter which he had forgotten to answer. My mother, Helen M. (Brown) Pruitt passed away October 11, 1962.

Upon returning to work in Colorado my husband learned we were being transferred to Little Rock Air Force Base. We are finally settled so I thought I would type up this information that my father and mother were unable to finish due to ill health. Also I am sorry but due to the condition of the bible the following names and dates were all my parents were able to compile for you.

I, George Pruitt, do have this bible. While it is in bad shape all the family records seem to be in place. The records may seem confusing because the Bible was given to Cora Brown, daughter of Isaac S and Denitha Jane Calvert and contains records of both families.
